The Lord called upon me
to speak favor over your life
healing over your heart
and call to your attention
the graces you have received

He's with you from age to age
in every trial, every experience
Seek God in every season
in all things, all endeavors
and God will speak to you

*May you find hope and healing

1. The Healing Love of Christ

May the healing love of Christ
Come to your spirit, fill your life
Lift you up and lead you onward

May the healing love of Christ
Come to you from far and near
In all forms, to carry you forward

May the healing love of Christ
Come to live within your heart
And radiate inward and outward

2. Dear Jesus

Dear Jesus
Like the flowers
in the fields
That bloom
with effortless grace
to bring us joy
You have equipped us
with all we need
To make life beautiful
for ourselves
and everyone else
Help us unlock
the power within
And open our hearts
to enjoy the life
You promised.

3. Scars

Lord, though I stumble and fall
You raise me up again
Though I bruise and hurt
In time You heal
And make me strong again

As I watch the scars
Slowly disappear
How Your mercy works
To renew life..
Becomes clear

4. New life

Lord I come before You today
with all the dreams
I hold within
I surrender all to You
from the deepest recesses
of my heart
The frozen seeds
that never saw the light
for You and only You
can breathe new life into anything

5. Holy Spirit

Holy Spirit
Cover us with Your love
Come into our hearts
Renew us with hope
Lift up our thoughts

Holy Spirit
Cover us with Your love
Heal our broken hearts
Soften every blow
Lighten every scar

Holy Spirit
Cover us with Your love
Stay within our hearts
Shine through us
Your eternal light

6. All things become new

We thank our Risen Lord
Jesus Christ who
Redeems what was lost
Revives our dreams
Renews our passions
And raises us to where
We can find higher love

7. Lord Bless Today

Thank you Lord
For blessing me
With another day
To know You more

I rejoice again
In Your love for me
And hope this day
To please You more

Let me receive
Your counsel Lord
And keep You first
Throughout the day

Be in my heart
With hopeful joy
And let me bless
Someone else today

And when the day
Comes to a close
Bless my thoughts
As I prepare to rest

If this day may not
Lead me to another
Please lead me on
To Your eternal rest

8. Jubilation

Whatever leads you
To seek Christ
Be assured
He lives
At the source
Burning bright
Watching over you

You can live your life
In jubilation
Through the power
Of His resurrection

9. Loving Hands

In the hands
that took nails for me
I place my cares
for eternity

I bring my hands
to worship Him
for love that keeps
healing me

10. Seeing Jesus

When you need a smile
He sends you a friend
Do you see Jesus..
In wonderful ways?

When you need direction
He sends you a message
Then you see Jesus..
Through the maze

When you need change
He sends you an idea
You see it is Jesus..
With amazing grace

When you only need love
He sends you much more..
You see Jesus is limitless
In countless ways

11. Spotting Blessings

The Lord has sent you
More than one blessing today
Can you spot one?
Then give thanks to Jesus
And be a blessing
To someone else..
And when they try
To spot a blessing today
I pray it will be you!

12. Peace be with you

May the Prince of Peace
Quiet your mind
And open your heart
To receive His joy
May this great peace
Stay with you
At all times
In all things
Giving you wings
To soar above the chaos
Giving you a reason
To sing in every season
Trusting in the name of Jesus

13. Hope of glory

Tender Shepherd
Be my constant companion
Come fill me Lord
With peace in each situation

Even as I wonder
Again, why or when or how
Whisper to me..
Hold on, I am with you now

As I cast my cares
And trust Your plan for victory
Through the cross
Let me see the hope of glory

14. Light Source

Bright Morning Star
Shine into my heart
Light up my life

Power me on
To blaze through
And conquer this day

15. The Cross

Let the cross be your banner
An everlasting reminder
To always surrender
Your dreams to Him
For He who gave all
Knows all

Let the cross be your banner
An everlasting reminder
Signed by the Comforter
That you belong to Him
For He who loves you
Guides you

Let the cross be your banner
An everlasting reminder
Of peace beyond measure
Given only through Him
For He who gave all
Owns all

Let the cross be your banner
An everlasting reminder
In trials of all manner
To look for hope in Him
For He who lives
Still heals

16. LITTLE LAMB

Lost and alone
In search of hope
Take healing from
The word of God
Look up and receive
Everlasting peace

Lord Jesus loves you
Almighty God is for you
Mercy surrounds you
Blessed are you!

17. Be Assured

Those challenges you face
Whatever they may be now
Will only make you stronger
God chose you to walk a path
That only He designed for you
And in your care He placed
Precious people who need you
Stay the course my friend
You are somebody's strength
You are a child of the Most High
And His blessings are upon you!

18. God sends

When God sends someone
who needs healing across your path
Don't ask why

Just give them all the love you can
and bless them with your heart
Lift them up

If they stay or leave is in God's plan
He asks you to play a part
Trust in Him

19. Intentions

If there could be no event

Then rejoice in the intent

Let's give it all unto Jesus

And have joy on purpose!

20. Trading

Jesus invites all
who are hurting
To come to Him
and win at trading
Shall we trade our sorrows
for brighter tomorrows
And fruitless emotions
for gracious aspirations
Shall we trade loneliness
for a chance at godliness
And all the pain we feel
For a much better deal?
The exchange
is through Jesus
But the choice is with us

21. First to Jesus

When it hurts
Go first to Jesus

He will give you
Strength to cope

And sometimes
He will send

Someone..
To lean on

22. Only He

Only He
Has the power
To redeem
What was lost
For He works
In mysterious ways

Place your hopes
In His mercy
And let Him work
Miracles to fulfill
All of your days

23. My Day

I start my day
with a grateful heart
for Jesus is my strength

Through my day
in every task
I keep Jesus
front and center

I end my day
with a grateful heart
for Jesus is my shelter

24. The Valley

Lord, You point out
the invisible hilltops
in the valley
The places where
Your glory abounds
You paint the valley
with a new perspective
How beautiful is Your work

25. The Map

At the cross
I met my Counselor
And wept at His feet
Lost, I gave my life to Him
And then I heard Him speak

The course
He said is already set
The criteria
Has now been met

The counsel is always here
For every child of God
Who comes to Me
I AM the only map
To your destiny

26. Open Arms

If you know
Someone is hurting
Open your heart
And give them solace

If you are hurting
Then come to Jesus
He is waiting
With open arms

27. Heavenly Message

In the smile of a dear one,
in the eyes of child
In memories of blessings,
the message is clear

In stories of others,
through the words of a friend
In the song of a stranger,
the Lord's voice I hear

Pray for each other
and pray together in faith
When caring hearts gather,
a miracle is near

28. SON OF GOD

Saviour born
Once crucified
Now risen

Offers us
Faith for life

Giver of hope
Our Redeemer
Divine Healer

29. In the name of Jesus

In the name alone
There's hope to be found
So be not alone
and be not afraid
Speak His name!

Then as you feel
A mighty calm
power through the sound
Be filled with hope
And say it again!

30. Hold on..

When it looks like
all hope is lost
God sends us
an unmistakable sign

Hold on my friend
The Author is Jesus!
And for your story..
He writes the next line

The Lord is with you,
to lead you into
a new day of hope
